Our firm is under contract with the *Indiana Department of Transportation* for the design of the referenced project. A Preliminary (or Final) Field Check for this project has been scheduled for February 26, 1999. The meeting will be held at 9:00AM at the project site. Anyone wishing to provide input into the design of this project should plan to attend.

Utilities with facilities within the limits of this contract should review the plans to determine if their existing facilities are accurately shown. Utilities that believe that their facilities will need to be adjusted should attend this meeting. This meeting could provide opportunities for design changes that could eliminate some utility conflicts. *Utilities will be contacted by the INDOT Utility Unit at a later date concerning the project schedule and relocation coordination. The INDOT Utility Unit may be contacted at (317)232-5300.*
